PROFESSIONAL SERVICES

Church family,

We started our little newsletter 1 year ago last quarter. (sorry missed last quarter) Can hardly believe it's been a year already, but it has. The newsletter opens with an article called 'Pastor's Corner'. This space is for our pastors to talk about something that they are passionate about.

Ok, so jump in your little silver DeLorean to the days of long ago. We thought Tony being our head Pastor should have the honor of writing our first Pastors Corner article. We reached out to him and asked him to give us some thoughts on our little Church family. If you remember, what we got was a 4-part 25-page series of what Pastor Tony's thoughts of "What is Church". Of course, we got exactly what we asked for. Go figure.

At that time, we decided to break his material up into installments if you will. So, here it is 1 year later and time for us to format another piece of his "What is Church".

At the request of our amazing Pastor, he has asked us to rename his article to "Spectators into

Servants, how to build a Biblical church (Eph. 4:11-16)".

Let's recap our last article from Pastor Tony. Last year we left off about half way through Part 1 of his article. Half way through Part 1, remember gang, we have 4 parts and 25 pages of Pastor Tony's thoughts. Ugh.

Let's pick things up here, first WE MUST obey our Lord so we need to first look at His command for the church. Please take a minute and read Matt. 28:19-20 (below), the Great Commission,
¹⁹ Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, ²⁰ teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

Now let's take a look at the epistles, ALL of them are dedicated to showing us "HOW" to make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, to teach us how to observe all that

Pastor's Corner (continued ...)

Jesus commands of us. If we do that, then God has 'promised' us that He will be with us always, to the end of the age.

If we don't read and study them, all of the epistles, we have no idea what they say and we tend to, as God puts it, "Do what seems right in our own eyes." Always a bad idea.

We're going to first tackle the main problems with "the church" in America so you can see how the American Christian church as a whole has drifted from scripture. Again, not all churches have drifted but by far MOST of them have. Over the next few articles we're going to dissect those issues, bring us back to scripture, then we're going to embark on a journey to make this church even more healthy than it is now, more complete, more effective, more energized and we're going to be effective servants to be used by the Holy Spirit to save souls in Nevada County and elsewhere.

This is going to take dedication by every person in this congregation. It will take dedication and faith but don't forget that Jesus told us to consider the cost of following Him because the only thing He asks in return for redemption is *everything*. If you are not serious about wanting to become the church Jesus has asked us to be, I'm telling you this is not the church for you.

Ok, so let's get started.

We live in a culture of consumerism. Everything that we do is becoming more and more about us 'buying' something. Our home, work, entertainment, travel, everything is more about being served than serving. We are being conditioned to be "spectators."

- We want to be served
- We want to be entertained
- We want it to be easy and convenient

The church has also conformed and bought into this concept. It has become a "seller" just like corporations. In fact, no area of society is immune to it. The world and its methodologies have swept into all fads, movements and religions. They are all effected by this culture of consumerism.

The one true church has also bought into this culture of consumerism. There's less and less interaction. We feel that we are participating because we're all watching the screen behind the pastor. We are too busy enjoying the show and not building relationships with our Church Family. We want media instead of commitment. We have traded "trust and obey" with "watch and consume". We love anonymity and we're naturally lazy. We are

Pastor's Corner (continued ...)

more interested in joining an audience instead of a body. We watch and observe worship but don't participate. Instead of being in the world but not "of" the world, we are now "in" the world and "in" the church.

Anyone who takes an honest look at scripture, particularly Acts 2 and the early church, would have to look at the Christian church in America and say, "What has happened?" How have we moved so far away from the standard? The standard that God has set for us.

We have to start with the standard, God's standard. We must begin with the Biblical model of church. What is the Biblical model of church? Amazingly enough, it's in your Bibles. Please take a minute and read Acts chapter 2, beginning in verse 42 and reading through to verse 47 (below), this is Luke's description of the early church and he describes the church this way:

⁴² And they devoted themselves to the apostles' teaching and the fellowship, to the breaking of bread and the prayers. ⁴³ And awe came upon every soul, and many wonders and signs were being done through the apostles. ⁴⁴ and all who believed were together and had all things in common. ⁴⁵ And they were selling their possessions and belongings

and distributing the proceeds to all, as any had need. ⁴⁶ And day by day, attending the temple together and breaking bread in their homes, they received their food with glad and generous hearts, ⁴⁷ praising God and having favor with all the people. And the Lord added to their number day by day those who were being saved.

Ok, so we have a lot in these few verses and we're going to be taking a close look at this and other scriptures that teach us how to build the church. The whole time we study these scriptures I want you to be constantly comparing the Biblical account from these passages of the church to what you're used to seeing in churches in America. See if anything might need to change.

What we've been doing

Family Camp July 26th – 27th

Family camp was a wonderfully laid back, relaxing time of fellowship and fun this year. We had over 20 families camping and close to 80 individuals who enjoyed great camp-out, food, and activities.

Parking Lot Ministry Aug 7th – 10th

Our parking lot ministry was a great success again this year. During the 4 days of the fair we received about \$1200 in donation. We talked with many people and had some opportunities to evangelize.

Women's Ice Cream Social Aug 17th

By Christy Moscini

Hot Saturday afternoons are always the best time for ice cream socials.

And Aug. 17th was just that; Made perfect by a wide variety of toppings, camaraderie, games, and the right to be nosey. Games designed to be sure you knew the person sitting next to you kept the laughter rolling.

Women's Summer Book Club – Final Chapter

Aug 29th

By Christy Moscini

Aug 29th was the final meeting of WISE Summer Book Club. "The Secret Thoughts of an Unlikely Convert" by Rosaria Champagne Butterfield gave us a new way to look at ourselves. The discussion was lively and interesting with an average attendance of 12-15 women each week. And, of course, the treats, the food, the coffee and especially the fellowship made it an enjoyable event.

GIFT 1

A gift is a present someone gives to you. The gift is of no benefit unless it is given to someone and opened. The gift is of no benefit unless someone teaches you how to use it. After this you could use the gift and enjoy it.

This is spoken of in Ephesians 4:8 "...and He gave gifts to men." God has done this in our lives by giving gifts to each of us when we are saved and receive the Holy Spirit. There are people who are equipped to teach the body of Christ how to use the gift(s) that they have received. The gift(s) when used properly help unify the body in order to work together and come to maturity (the fulness of Christ).

This is the message given at the Men's 5th International Conference this last September. We found there is a title for this maturity: "bond slave". This is one who is committed entirely to someone else. Their life is not lived for themselves. It is lived in lifelong service to the Lord, (continued...)

PRAISE FOR A MIRACLE

(repeat – this was good!)

Today we took Colton (our 2-yr. old grandson) to get another MRI of his brain. His last MRI (at 5 months) showed his right optic nerve is under-developed, and thinning in the midline structure of his brain. We waited anxiously while they completed the MRI and then for an appointment with the neurologist. We found out that his brain is fully developed and there are NO deformities of his brain. His optic nerve is still just as under developed as it was when he was 5 months old so he's still blind in his right eye, which we didn't expect to change. He has officially "graduated" from neurology, endocrinology, and hematology. He has NO developmental delays and is thriving.

The biggest weight has been lifted off our shoulders and this little man will no longer have to be poked and prodded at. He has been a trooper through it all!

Pauline

Jesus Christ. The aim of the conference was to encourage us to recognize our gifts, use them wisely for the purpose of unifying the Body of Christ. "When each part is working properly, it makes the body grow so that it builds itself up in love."

Go ahead. Open your gift.

Blessings,

Dan P.

Kids Happy Birthday Jesus

Dec 21st

By Brenda Lloyd

The children's ministry "Speak Life" has been busy.....on December 21, we had a Happy Birthday Jesus celebration. We had song, food, games and crafts. There were 11 kids, 8 LEAD kids doing a lot of leading, such as walnuts and rice, the scripture chain, and of course our message time.....God is amazing, and He always sends those He choose. The adult helpers, mentored and just helped in so many ways.... I thank all who helped, and all of you who prayed, we could not do this without you....

God bless ... love you, Brenda

Christmas Choir

By Lisa Papararo

When all was said and done, being in the Christmas choir was one of the highlights of my whole season. I had never led a choir before. So, I didn't exactly know what I was getting into. Needless to say, neither did the rest of the choir! In the beginning we were all a little panicked. Some of us had joined the choir for the very first time. Some of us had a first time solo. Some of us had to learn how to ring a bell on cue. And everyone had to follow a brand-new leader. It's always a little bit frightening to do something new. But by faith and perseverance, we kept showing up to practice, encouraging each other, and ended up making joyful and I believe beautiful praise unto the Lord.

Maybe you too can be a part of the fun and praise at Easter time! Thanks again to Neil Gulas for designing such lovely music, to Brenda Lloyd's for her beautiful accompaniment on the keyboard, to Bob Gionanni for making the risers, and Jeff Biscotti for blending the sound. And especially all the choir members who took so much time out of their busy schedules to focus on praising Jesus during this sacred time. It made all the difference in my heart and Advent season.

Love you all, in His service,
Lisa P.

Staying Connected

By Jeff Biscotti

Greetings from the back row. Our Staying Connected meeting is a forum for Fellowship, Food and Church activities. As you know we started a monthly get together/pot luck in Wayne Hall every 3rd Sunday of the month right after Church.

The reason we started this is so the guys in the Church could get 1 good meal a month, AND it's a great time to fellowship, eat great food and to pass on information of Church events and ministries.

First, we want to thank everyone that contributes to our pot luck for the staying connected meetings. We couldn't do it without you, thank you.

We are using this time to give the congregation regular updates about Church events and ongoing personal ministries. We have asked the leaders of any ministry to give a brief update at these meetings.

We want to pass along to the congregation information for upcoming events and the needs of these events and ministries on a regular basis. This is also a great time to ask questions, offer suggestions and VOLUNTEER. Yeah.

We would love to see all of you get involved in these ministries in some capacity. To contribute your gifts and talents. The leaders will be needing help at varying levels of their ministries and asking all of us to get involved in some way. Think of it as fellow-shipping. Getting to know the person that you sit next to in Church outside of our Pastors 45 min. sermon each week.

So far, staying connected has been received very well. The feedback that we are getting is very positive as well as encouraging. So, thank you all.

WPC WISE Women's Bible Study

By Linda Girton

Beginning in September, WPC WISE had the opportunity to learn from the greatest teacher of all time, Jesus, through a study of His parables, and exploring how to apply His teachings to our day-to-day lives. This was followed by 3 holiday WISE sessions focused on Thanksgiving and Christmas traditions to keep Jesus at the center of, and reason for, our holiday celebrations, and on fascinating biographical studies of those directly involved in the coming of Emmanuel, "God with Us." After taking advantage of the small group Bible studies this winter, we will begin this spring, a (continued ...)

LEAD (Learn, Excite, Apply, Disciple)

By Eva Nau

LEAD is taking shape and gearing up for a fun filled January!!

Our January New Year kick-off was a HIT!! We played “Minute to Win It” style games, enjoyed refreshments, sang worship songs and concluded the evening with a powerful message on building a stronger prayer life as busy kids. Our evening ended with 4 students

seeking private prayer and counseling to learn more about who Jesus is and what they can do to seek Him first in their own walks. It was a bold and powerful moment to see raw hearts so prepared to serve Jesus.

The rest of the month is JUST as busy, with snowman contests (without snow?!?!), “Destination Unknown” night, and a “What in the World” food from around the world contest!! Each week is partnered with an important message utilizing our event for the night, leaving no moment unscathed by the power of Jesus!!

Please encourage your 5th to 8th grade kiddos, neighbors, nieces/nephews, and grandkids to join us weekly!! Sharing the word is just a part.... demonstrating God’s love through action is the most exciting piece of my heart!!

In His Service,
Eva Nau
